

Our wish list looks a little different this year because 2020 is a new kind of year. One thing hasn't changed – Wellroot is committed to caring for children, teens, and families and providing them a wonderful Christmas experience. Thank you for partnering with us to give children and young adults a brighter Christmas!

If you plan to collect items for Wellroot Family Christmas, please contact us! It is helpful to know what we'll receive and we can share with you our most pressing needs. We also need to update you on policies that are new this year – including when you can deliver collected items to our office.

All items must be delivered to our office by Wednesday, December 2. Families receive their Christmas gifts at a special event on December 12.

All items must be new and unwrapped (not in Christmas paper).

Email Christmas@Wellroot.org to schedule your drop-off. Unscheduled drop-offs cannot be accepted.

- Headphones or earbuds with microphone (child through teen sizes)
- UBS Drives
