

## Now, more than ever, home matters.

This year has taught us so much. It showed how quickly everything we know can change. It's shown us how strong we are, and yet how much we need each other.

And as daily life evolves into its new normal, it can be easy to take all we have and all we learned for granted. Yet, there are thousands of children, young adults, and families affected by the foster care system in Georgia who don't know what a stable home feels like.

For nearly 150 years, Wellroot Family Services (formerly called The United Methodist Children's Home) has nurtured the feeling of home for Georgia's most vulnerable children, teens, young adults, and families. When you give to Wellroot, 100% of your gift provides children and families the power to realize their God-given potential. Give a gift that nourishes the soul and helps create a safe, loving home.

After all, home is where we belong, and now, more than ever, home matters.
