

The Healing Power of Family

Family is more than a last name, genetics, or proximity. Family is essential because we all yearn to feel like we belong to something greater than ourselves. Family is a feeling. A feeling of commitment, belonging, and, most of all, love. It might be easy to take this concept for granted; yet when a family is experiencing a crisis, it's easy to feel isolated and alone. Fortunately, you can help change that through your Amazing Grace Offering to Wellroot Family Services.

Wellroot Family Services believes in the **Healing Power of Family**. Wellroot envisions a world where every child is raised in a loving, compassionate, and nurturing home.
