

Donate & Assemble a Birthday Celebration Bag

Let's give a warm "Happy Birthday" to a foster child or child in our Family Housing Program! Volunteer groups can help make a birthday special by collecting and assembling five (5) birthday gift bags.

Wellroot likes to distribute comparable items to all our children. We request volunteers assemble similar bags but suggest volunteer groups to add a personal touch by including a special birthday note or prayer to each kit.

Each birthday kit should be in a large gift bag with:

- 1 set of birthday lunch plates
- 1 set of birthday dessert plates
- 1 set of birthday cups
- 1 set of birthday napkins
- 1 set of birthday hats
- Decorations
- 1 \$20 gift card (Walmart, Target, or Visa)

If there is a theme or character, please include this information on a tag attached to the bag.

This is an on-going opportunity to support our children and can be flexibly scheduled at your church or organization. This donation can be dropped off at your local Wellroot office. [Find your local office and hours here.](#)
