

# Diaper & Wipe Drive

Wellroot needs diapers and wipes for the children they serve. When an infant or toddler comes into care, Wellroot staff bring diapers and wipes to the foster family. For families at risk of homelessness in the Family Housing program, diapers are a huge blessing to receive.

Wellroot relies on your generous donations to provide diapers and wipes to our families. You can host a donation drive to help serve these families. The biggest need is diapers (size 4, 5 & 6), pull-ups and wipes.

**This project can easily be done with social distancing:**

- Hold a drive-up donation drop-off or place a donation bin in a covered area outside the church
- For those not going into store, purchase diapers/wipes online or do curbside pickup

*All Wellroot offices continue to be closed and are not accepting any visitors. All nonessential staff continue to work remotely. For any questions or scheduling your donation drop off, please email [cultivate@wellroot.org](mailto:cultivate@wellroot.org)*
