

It's a Pajama Party

As parents are at home trying to come up with different ways to keep children engaged, let's support them by giving them a special night together- a Pajama Party! Come partner with Wellroot to give the families we serve a night to reconnect while helping the children improve communication and critical thinking skills through a fun family game or activity.

You can sponsor local families by assembling a personalized bag of:

- 1 new pajama per child
- 1 new family game or activity (i.e. puzzle, board game, card game, crafts)
- 1 box of hot chocolate
- 1 box of popcorn

Want to give families a night to reconnect and have fun? Here is how you can help:

- Email a Wellroot Community Cultivator at cultivate@wellroot.org and let them know how many families you are interested in sponsoring for the Pajama Party.
- Our team will match you up with a family in your local area and send you their ages and size.
- You collect these items for your family or families, and assemble a bag labeled for them.
- Schedule a drop off time at your local Wellroot office in mid-October.
