Family Services

Help Us Bring Holiday Joy to Children and Families!

At Wellroot Family Services, the Christmas season is a special time. With your support, we hope to provide a joyful holiday for nearly 1,000 children, youth, and families. Join us as we host Christmas events on December 12 in Atlanta and Gainesville. Families will enjoy crafts, games, festive treats, a unique shopping experience, and a special visit from Santa!

Your financial support is key to bringing holiday joy to our children and families.

- $500 can provide a special visit with Santa
- $1,000 can provide a community meal for our residents
- $2,500 can provide decorations to fill our residents' homes with Christmas cheer
- $5,000 can provide a boutique shopping experience in Santa's Shop for parents, giving them a chance to select meaningful gifts for the children in their care
- $10,000 can provide critical support that brings hope and stability to children and families during the Christmas season

We highlight our Christmas partners through:

- Logo/Name included on Wellroot website
- Organization/Company highlighted on social media
- Guaranteed volunteer spots for 8 individuals for event preparation or event day

Thank you for partnering with us to bring joy and the Christmas spirit to children, youth, and families throughout Georgia. For more information, contact Alex Peppers at apeppers@wellroot.org or (404) 327-5847
